A Note to Users of this Directory :

The USAID Mission in Bangladesh is pleased to publish jointly with the people's Republic of Bangladesh this directory of 1,025 AID financed Bangladeshi participants who returned from training during the period of January 1982 to December 1987. It supplements the previous directories which record returned participants from June 1951. The knowledge and skills which these people have acquired are and will continue to be a significant contribution to the development of Bangladesh.
